

# Extended Lifecycle Support for .NET

Long-term security for .NET 6.0 applications – keeping your apps secure, stable, and compatible on Windows and Linux for as many years as you need.

Powered by  
 TuxCare

## .NET 6 is No Longer Supported

Support ended on November 12, 2024

- ⚠ No new security fixes mean your .NET applications are exposed to cyberthreats
- ⚠ Unsupported software may put your company out of compliance

## Eliminate .NET 6 End-of-Life Pressure

### Minimize Security Risks

Get as many years as you need of security patches for .NET 6.0 vulnerabilities from an experienced team.

### Preserve Compatibility

Avoid code refactoring and keep your .NET applications running smoothly for years on Windows and Linux.

### Ensure Compliance

Gain 14-day SLAs for security fixes and establish transparency with detailed SBOMs for each library<sup>1</sup>

## Supported .NET 6 Components

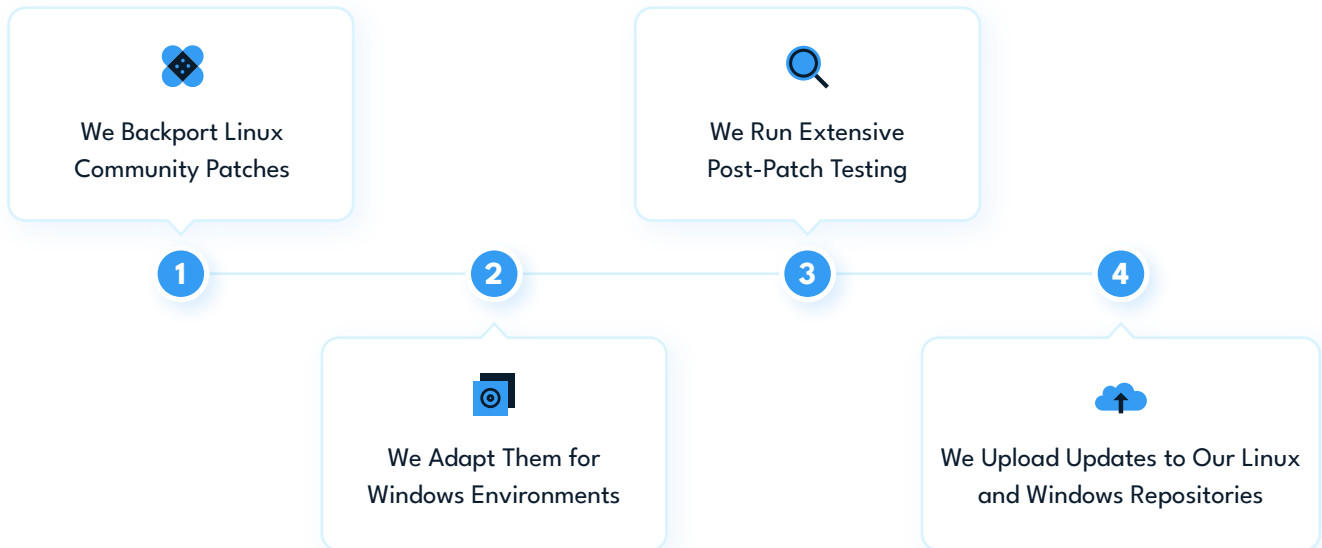

**Endless Lifecycle Support for .NET 6 provides out-of-the-box support for these key .NET 6 components on Windows and Linux<sup>2</sup>.**

  
**.NET Runtime**  
**.NET Installer**  
**.NET SDK**  
**ASP.NET Core Runtime**  
**.NET Desktop Runtime**  
(Windows only)

<sup>1</sup>Planned availability for SBOM is Q2 '25

<sup>2</sup>Custom support options are also available

## .NET Patch Development Process

## Setup Takes Just a Few Clicks

### Windows

#### STEP 1

Get your ELS for .NET access credentials

#### STEP 2

Use your credentials to access our .NET repository

#### STEP 3

Download the installers and install TuxCare versions

### Linux

#### STEP 1

Download the installer script

#### STEP 2

Run the installer script with your keys

#### STEP 3

Verify that the installation was successful

## Why TuxCare?

Our team has the battle-tested expertise and industry-leading technologies required to deliver timely and extensively tested security patches

We have been consistently ensuring the cybersecurity, stability, and compliance of open-source systems for over a decade.

Our customer-driven culture ensures that we always provide tailored solutions that meet the unique needs and requirements of our customers
